¹The recent earthquakes have caused us all to consider the question, "How can I help?". We encourage each camper to bring a pair of shoes to donate to the "Soles for Souls" campaign. Adult or children's shoes (tennis shoes, dress-type shoes, or boots) will be collected during the summer and donated to Mission Haiti (missionhaiti.org). Many of our friends and neighbors have worked through this group since the early '80s to share the love of Christ with the Haitian people. Mission Moment is a new activity designed to remind campers that they can have an impact on people around the world.

² Are you ready to show off? Do you sing? Do you dance? Do you play an instrument? Quote poetry? Act? Bring your music, instrument, costume, and/or props!

³Bring your wackiest accessories and bust out in your grooviest, most outlandish garb for days full of laughs and fun.

⁴Keeping the hat tradition! From fashionable to frightful - search your closet, your mom's closet, your grandmother's closet, and Goodwill for your uniquely perfect (awesome or awful) tea party hat.

⁵Masquerade Night is Hollymont's combination of a costume party and a camp CLUE game. The theme for all camper and staff costumes is "Star Struck". Dress as your favorite actor / actress from a Broadway Show, a ballet, or an opera. Have you seen the Lion King, Wicked, Annie, or The Nutcracker? Were you in a play at school this year? Here's your chance to show off your costume!

⁶Campers will be given the opportunity to build a float, comprise a musical ensemble or dance troupe...all with their tribe, and then enter them into the annual Hollymont Parade!

⁷Pack your overalls or jeans, straw hat, bandana, etc. Hollymont is going country with games, music, and more.

1. Opening Day:

It is best to arrive between 9 a.m. and 1 p.m. of the appropriate opening Sunday.

When you arrive at Hollymont, you and your camper will be greeted by counselors at the unloading/loading zone in front of Laurel Lodge. To allow for safe and smooth traffic flow, please allow the utility crew to unload your camper's luggage and move your vehicle around the circle to the opposite side. Your camper will need to come up on the front porch to receive her hall/cluster assignment, check in with the business office, meet the camp nurses, and pick up her clothing order from the clothing room.

Late arrivals - Please give us advance notice if your camper will be arriving later than 1:30 p.m. of her opening Sunday. Camp directors will begin calling parents of any unexplained absentee camper after 2 p.m. of the camper's opening day.

2. Closing Day:

7 Day Sessions - Please plan your daughter's departure between 9:30 a.m. and 11:00 a.m.

13 and 27 Day Sessions - Please plan your daughter's departure between 10 a.m. and noon.

There will be no formal closing ceremonies for parents. 13 and 27-day campers will participate in a night activity/awards ceremony the evening prior to their Friday departure.

When you arrive at camp, please come directly to the front porch and sign your child out.

We will give you a camper packet with camper medications, cluster names/addresses, a camp picture, etc.

We must have advance, written permission to release your camper if someone other than the parent/legal guardian is leaving camp with your daughter(s).

Late Departures - Please give us advance notice if your camper will be departing later than 1:00 p.m. of her closing day. After 2 p.m., camp directors will begin calling parents of any remaining campers to verify travel plans. Please be aware that after 1 p.m. counselors will be cleaning and re-configuring the camper rooms for the next session before departing for their time off. Campers who are staying over for the next session will go on an off-campus activity. Arrangements must be made for adequate supervision of late departures.

3. Visiting: We recognize that frequent visiting can cause homesickness, particularly to children away from home for the first time. Most parents do not visit during a 13-day session. If you wish to do so, Sunday is the best day. (Visitors for 27-day campers may come on Sunday or on the between session weekend as activities permit.)

We are ever mindful of the responsibility to keep your daughter safe; and we train our staff to be vigilant regarding visitors on campus. We would appreciate advance notice if you plan to visit during the session.

If persons other than parents will be visiting, we request advance notice and written parental permission before allowing your daughter to spend time with or leave camp with these visitors.

Guest Meals: We regret that our dining hall facilities do not permit having guests at meals. However, you may take your daughter(s) out to eat.

4. Telephone Calls and Use: We ask that telephone communication to or from home be limited to emergencies. Otherwise, important lessons of independence and self-reliance beyond the home situation can be short-circuited by a quick call to or from home.

We request that your daughter leave her cell phone at home. If your child is traveling alone and has a cell phone, please instruct her to give the phone to her counselor when she arrives at camp. It will be returned when your daughter leaves camp.

Please feel free to call the office and leave a detailed message for your child's counselors and/or the directors. Since staff and campers are busy in activities and are rarely immediately accessible by phone, the counselor, head counselor, or director will return your call.

5. Hotel Accommodations: Make your reservations early. This is the heart of the tourist area. Additional visitor information may be found at: www.ashevillechamber.org

Near the base of the hill, turn right onto Asheville School Road.

Follow the road (1/2 mile) to the last lodge on the right. Watch for Asheville School signs to Lawrence Hall. On opening and closing day, watch for Camp Hollymont signs to Laurel Lodge.

7. Airline Arrangements: If you anticipate flying your daughter to camp, we suggest that you make reservations as soon as possible. The Asheville Regional Airport (www.flyavl.com) is served by AirTran, Continental, Delta, Northwest, United, and US Airways.

Please read carefully the enclosed transportation form and the trunk shipping form for the information regarding air passenger escort services and baggage procedures.

We strongly recommend morning flights for camp arrivals and departures.

Campers traveling without parents/adults will be greeted at the Asheville Airport and returned to the airport by camp personnel in accordance with the parent's arrangements (transportation form) and as airport security procedures allow.

8. Health Form: Enclosed you will find our camp health form. This is to be filled out, signed by YOU AND YOUR PHYSICIAN, and **returned to the camp office by June 1st**. Be sure to read and sign the Parent's Authorization statement. Those who require glasses for constant wear should bring an extra pair or a copy of their prescription. Please be sure to include your own medical insurance name and number. **The camp does not provide medical coverage for doctor or hospital visits.**

9. Spending Money: Charges for camp store and canteen, cluster and hall activities, and personal items/medical expenses will be deducted from the camper's account. We suggest a deposit of \$100 per 13-day session (\$50 per week). The campers rarely need cash at camp. Any unused spending money is refunded at the end of the session. Any spending overage can be settled on closing day at the camp office, or you will be billed. (New campers will receive a tribe shirt once they are placed in a tribe and the cost will be deducted from their spending money.)

10. Camp Store: The camp store is open on opening day and daily during canteen time. Stamps, cards, stationery, disposable cameras, toothbrushes, and clothing are sold in the camp store.

For best selection, we suggest that you pre-order camp store items (except for the tribe shirt). You will pick up your order on opening day and may exchange items if necessary.

11. Mail: Your daughter's counselor will write you once during the session. All campers are also encouraged to write home!

Campers enjoy getting mail, so please write happy letters of encouragement and interest.

Summer mailing address is:

Camp Hollymont, Camper Name, 360 Asheville School Rd, Asheville, NC 28806.

Camper mail is usually distributed during the mid-afternoon rest hour. You may access the Bunk1 website to purchase and send e-mails to your camper. These e-mails are downloaded each morning and distributed with the regular afternoon mail. (See enclosed information letter.)

12. Laundry Service: No laundry service is provided for 7-day and 13-day campers. 27-day camper laundry will be done between the 13-day sessions. We have limited laundry facilities available at Hollymont for staff use. We will monitor each cluster and wash a load of wet towels and/or tribe shirts as needed. Please remind your camper that if she runs out of clothes, she needs to tell her counselor so an extra load of laundry can be washed.

13. Camper Rooms: In addition to beds, camper rooms usually have a desk with three drawers, a chest of drawers with five drawers, and a closet. This space will be shared by all roommates. Suitcases, duffel bags, and/or trunks may be stored under or at the end of the bed as space permits. Most rooms have loft space above the closet for suitcase / trunk shipping box storage.

14. Horseback Riding: To maintain a quality riding program, enrollment will be limited. Campers must pre-register for riding. **Appropriate gear is a necessity.** To resolve health and safety concerns, please bring your own riding helmet. Jeans or riding pants are required. We recommend wearing shoes with heels and smooth surfaced soles.

15. Costumes and Musical Instruments: Please feel free to bring your costumes, musical instrument(s), and accompaniment music/CDs to camp. The opportunities to use your instruments and costumes are many.

If your daughter would like to use music from an iPod for the talent show, she may bring the iPod to camp, however it will be kept safely in a locked storage unit until the appropriate time.

16. Please – No Animals, Valuables, Vehicles, or Harmful Items

We ask that cash be brought to the business office on opening day. We will deposit the money in a local bank and credit your daughter's spending account.

Animals, expensive jewelry (watches, rings, necklaces, etc.), and electronics (cell phones, iPods/MP3 players, Walkman's, CD/ DVD players, Game Boys, Palm Pilots, laptop computers, etc.) **should be left at home.** While items of value are brought to camp to enhance the experience (tennis racquets, musical instruments, riding gear, etc.), we reserve the right to collect any possession for the purpose of monitoring or restricting its use during camp (athletic equipment, electronics, etc.). Such items will be returned for supervised use and/or prior to the camper's departure from Hollymont. **WE CANNOT BE RESPONSIBLE FOR THESE OR SIMILAR ITEMS kept in the cluster (camper's or counselor's room).**

Possession and/or use of tobacco products, alcoholic beverages, illegal drugs, knives, firearms, and explosives are prohibited. We reserve the right to search camper possessions at the discretion of the directors.

Campers and staff (under age 18) are prohibited from bringing motorized vehicles (cars, scooters, etc.), skates, skateboards, and bicycles to camp.

17. Sunday Services: Sundays at Hollymont are carefully planned to be inspirational for all age groups. We encourage campers and staff to wear dresses for Sunday morning worship in the Chapel.

18. Care Packages: NO FOOD OR GUM, PLEASE! The problems (sanitation, hurt feelings, poor eating habits) created by "food" packages far outweigh the joys of receiving them. We encourage packages of books, games, and clothing. Please understand that this policy is for the good of your camper and her fellow campers. **Remember: Campers really enjoy receiving cards and letters every day!**

19. Camper Birthdays: If your daughter's birthday occurs while she is at camp, she will receive a birthday cake after lunch or dinner and everyone in the dining hall will sing happy birthday to her. Her counselor and cluster mates will decorate her door. If you wish to give her counselor special birthday decorations/treats, you may do so. If you wish to send flowers and/or balloons, you may do so. Becky's Florist (828-253-2975) is near camp and delivers.

Dear Camp Hollymont Parent,

Would you like to see what your child is experiencing at Hollymont?

We are pleased to once again team up with Bunk1 to offer a wonderful online photo and email program. Throughout your child's session, you will be able to view photos of your camper playing, learning, and smiling. You can save your favorite pictures, share them with your relatives, and even purchase high-quality prints. For a fee, you may send your camper one-way email using "Bunk Notes". **Bunk Notes are delivered to us via one large e-mail at approximately 4 a.m. each morning.** Each morning when we arrive in the office, we print the Bunk Notes, sort them, and send them to the mail room for distribution in the cluster during rest hour.

We strongly recommend that you continue to send your daughter cards and letters. Handwritten communications are very personal and are more likely to be carried around and cherished for years to come. Please keep "thinking of you" thoughts upbeat and supportive. It can be very difficult for a child if she senses the folks back home are (a) desperately missing her or (b) having a wonderful time without her. To encourage communication from the campers, **we strongly suggest that parents of younger campers sit down with their child before camp to address and stamp the envelopes** for letters to parents, family, and friends. We do not have the facilities and/or manpower for campers to send e-mails.

During the summer at Camp Hollymont we live in a self-contained world peopled by campers and counselors. To minimize homesickness Hollymont campers are fully immersed in activities from breakfast until bedtime. Calls to and from home are very disruptive because the camper must physically pull away from camp activities to use the phone and she must also emotionally shift between "home mode" and "camp mode". **We ask that telephone communications to or from home be limited to emergencies or time sensitive issues.** Otherwise, important lessons of independence and self-reliance will be short-circuited. Please encourage your child to seek her counselor's help when she needs something.

You are always welcome to call the directors or your child's counselor with a question, a concern, or a suggestion. Since camp days are action-packed and staff members are often leading camper activities, the office staff may need to take a detailed message and have the appropriate staff member return your call when the camp schedule permits (generally rest hour or when the campers are in bed).

Parents and staff must work together to make each day at Hollymont a successful one for their campers. Your assistance with phone communications and letter and e-mail correspondence is greatly appreciated.

Sincerely,

Lauren Glass

Parent's Signature

Date

Dear Parents,

Thank you for sharing your daughter with us this summer. Her successful camp experience is the result of a team effort. As part of the team we want you to understand our parent notification policies and procedures.

The notification guidelines have been reviewed by Hollymont's nurses, camp directors, and the board of directors. The notification guidelines will be reviewed each spring by the aforementioned group.

Please refer to the attached sheet for parent notification guidelines and implementation policies.

Please be aware that in the camp community the camp nurses serve a dual purpose. They are the providers of health care and they are surrogate mothers. It is not uncommon to see homesick campers visit the health care center and approach the camp nurse outside the health care center whenever they feel the need for that "added mother's touch". During the first few days of camp when the camp nurses see such a behavior in a child they will notify the head counselors and camp directors at the morning central staff breakfast meeting. The staff team and the camper's counselor will work together to help the camper adjust to camp life. The situation will usually resolve itself within the first 72 hours of camp and the camp nurses will not see the child thereafter. Occasionally a child will resolve her homesickness by making daily contact with the camp nurses. Once the "mother's touch" is given, the camper is off and running again. If there are no substantial symptoms and the child is not in emotional distress after her daily dose of camp nurse TLC, there will be no parent notification.

If homesickness persists for longer than 60 hours with persistent emotional distress leading to an inability for the child to function in particular and a disruption of camp life in general, then a camp director will contact the parent.

We look forward to a healthy, happy summer. Please let us know if we can be of any assistance to you and your camper.

Sincerely,

Lauren Glass

Parent Notification Guidelines

- PNG1** When a child stays overnight in the infirmary one of three things will occur in the morning.
- The child will go to breakfast and return to her normal routine. A health care provider will contact the parent by phone or e-mail and let them know that their child stayed overnight and has now returned to her normal camp activities.
 - The child will not be able to return to her normal camp routine and the health care providers will follow **PNG2**.
 - The child will remain in the health care center and the health care providers in consultation with the camp physician will continue to provide care and supervision in the health care center. The health care providers and/or the camp director will contact the parents.
- PNG2** In the event of a non life-threatening injury or illness that requires outside medical attention (physician's office, urgent care, emergency room), a camp health care provider and/or a camp director will call upon returning to camp. At that time we will be able to provide both a diagnosis and treatment plan.
- If there are major options to be considered in the treatment plan, then the parents will be contacted from the outside medical location.
- PNG3** In the event of a life-threatening injury or illness that requires medical attention at the emergency room, appropriate camp personnel will proceed to the emergency room with the child. A camp director and/or another camp health care provider will contact the parents with the request to stand-by for further communication from the emergency room.
- PNG4** In the event a child loses consciousness, the Camp Health Care provider and/or a camp director will notify the parents.

NOTIFICATION IMPLEMENTATION POLICIES

In the event of an emergency or an immediate health concern, a camp director and/or a health care provider will contact the parents/guardians by phone. Each camper's health form contains contact information as well as designates alternate contacts if the parents/guardians cannot be reached. Also parents who will not be available at the numbers listed on their health form may leave their itinerary with the business office.

If no responsible party can be contacted directly, the camp personnel will leave voice messages on answering machines that communicate the need for a given parent to call the camp. We will also attempt to contact the parents via e-mail. All contact – successful and unsuccessful – is documented.
