

The Hollymont Spirit

Fall 2009

NEW TRIPS for 2010

We have been busy in the winter office planning (and testing) three new trips for the 2010 summer. We are finally ready to reveal those trips. So, without further delay...

Zipline Adventure in the Nantahala Gorge **\$125** **(for campers 12 years and older)**

Enjoy a soaring and gliding experience naturally fueled by a gradual elevation change at Nantahala Gorge Canopy Tours. It takes limited energy to participate and is not designed to scare with big drops as much as excite with smooth gliding. Come join us in this 11 section zipline adventure!

Amy, Merridy and Lauren all geared up for the Zipline Tour!

Whitewater Rafting down the Nantahala River **\$150** **(must be 8 yrs and 80 lbs)**

Perhaps you've rafted with us down the French Broad. This summer we will change things up and head to Bryson City. Nantahala rafting features eight miles of practice on easy Class II rapids before splashing through the exciting Class III whitewater of Nantahala Falls.

Overnight Camping Trip to Pisgah National Forest in Brevard, NC **Free** **(for campers 10 years and older)** **(limited enrollment)**

We are bringing back a Hollymont tradition! Campers will camp in tents and cook over an open fire as we learn to enjoy God's creation even more.

*Please call the Hollymont office to register for any of these trips (if you have already registered)
OR indicate which trip(s) your daughter would like to participate in when you register.*

May we borrow your DVD player?

Lauren and Amy have been busy scheduling camp shows, recruiting campers, and enjoying visiting with both new and returning campers this Fall! We would love nothing more than to come to your home and share about Hollymont! All we need is to borrow your DVD player! We will provide invitations for you to distribute to friends, neighbors, your daughters classmates, and whoever else you think would love a summer at Hollymont. There are lots of creative and affordable ways to host a show.

Please contact us in the camp office if you would like more information on how to host a show in your area!
